ABOUT THE COVER

Empowerment! Yes, we would all like to be empowered, but in nearly all cases this sort of thing comes only with a lot of hard work.

It is our hope you'll be encouraged to 'take the first step' – and with due diligence – make the changes necessary to become educated and informed about the issues that confront you.

If you're concerned about student fees, the high cost of an education, and your future – then make your voice heard – and become EMPOWERED!
